Building Permits

Industrial Tower West

Teresa Sweigart from Industrial Tower West was present to discuss the size of the propane tank and as to where it was going to be placed. She explained that the generator would be underground and that the life expectancy of the generator would be between 25 to 50 years and would be monitored. The propane tank holds 500 gallons and would also be buried. After a brief discussion a motion was made by Trustee Leerar and seconded by Trustee Scholes to approve the permit.

Community Park Revitalization Committee

No report

Water

Chris Rector reported that the water plant was in good shape. There had been a few small issue but things seem to have settled down.

Waste water

The board requested Chris Rector call Potter Sewer to have them pump the south lift station so that it could be inspected.

Maintenance

No report

Fire Department

No report

Recreation

No report

Community Center

It was reported that a storage room is being built inside the Community Center in the northeast corner of the building. It was also reported that the kitchen is getting an upgrade.

Landfill/ Water Authority

Mayor Hagemeyer gave his report for the landfill and the water authority.

Financials

Clerk Vance presented the board with its monthly financial report.

Code Enforcement

There have been several complaints about dogs running loose. The code enforcement officers have contacted the owner and warnings have been issued. The resident at 423 Porter has filed a complaint with the town against Scotty Vance. The board received copies of the report and then asked the town clerk to forward the complaint to the town's attorney. It was suggested that the town invest in a noise meter.

Old business:

Repeater

The town clerk presented an email from The Eastern Colorado Repeater Association about the possibility of placing a repeater here in Eckley. The board members had a brief discussion and felt that this was not something the town wanted to get involved with.

New Business

Street/ Avenue Ordinance

The town clerk presented the board with a draft ordinance from the town's attorney to remove the destination of "Avenue" from several streets in town. The board also wants all streets to be designated as "Streets". There was also a mistake in the direction of the streets that were known as avenues. The town clerk will make the changes and return it to the attorney for updates.

With no further business before the board the meeting was closed at 8:50 PM
