Public Comment

None

Community Park Revitalization Committee

Not much has been going on. Waiting to hear on several local contributions.

Water

Chris Rector reported that the water plant is doing good. He asked the board if the town could pay the testing fee for his water license. A motion was made by Trustee Probasco to approve the payment of the testing fee. His motion was seconded by Trustee Rogers.

Waste water

Chris Rector reported that the sewer ponds are looking good. There is still foliage growing near the edge of two of the ponds, but he is planning on removing it once the weather gets colder and the foliage dies.

Maintenance

Chris Rector reported that the oil in the tractor had been changed and that he received the parts needed to repair the diesel holding tank. He also reported that there was no heat in the shop or electricity in the old bank building. Chris was asked if the generator could be moved around to allow the fire department to park the tanker truck in the shop. It was mentioned that the town might consider buying an inline meter to put on the diesel holding tank. Tony said that one could be purchased from Napa for about \$325.00. The board reminded Chris to check the generator every 3 months.

Fire Department

No report

Community Center

It was reported that the Cajun Boil ticket sales were down. But they were still considering having another one in February. It was also reported that there had been several compliments on the kitchen upgrades

Landfill/ Water Authority

Mayor Hagemeyer gave his report for the landfill and the water authority.

Financials

Clerk Vance presented the board with its monthly financial report.

Code Enforcement

There have been several complaints about dogs running loose.
